

MPE GREEN POWER PROGRAM REBATE APPLICATION

321 West Agate Avenue
P. O. Box 170
Granby, CO. 80446-0170
(970) 887-3378

APPLICATION: (max request: \$2,500 residential; \$10,000 per business/organization)

CHECK ONE: Residential Business/Organization

Amount Requested: \$ _____

1. Name of Individual/Business/Organization: _____

2. Address: _____
Street or Post Office Box

_____ City or Town State Zip Code

3. Phone Number: _____
Work Home

4. Contact Person: _____
Name Title

5. Is the physical location of the renewable energy system within Mountain Parks Electric's service area in Grand, Jackson, Summit, Larimer or Routt County?
Yes _____ No _____

If yes, provide the physical location (address), the name on the electric account and the nameplate capacity of the planned renewable energy system (i.e. how many watts).

6. Please provide a complete material list (and costs) for the project's installation.

7. List other sources of funding for the project as described in the above:

8. Are you willing to permit MPE to photograph, publicize and/or provide signage for your installation, once completed, and allow one scheduled public tour of the facility?

YES NO

9. List energy efficiency measures you have adopted at this location in advance of the renewable energy system installation:

10. For what reason(s) do you plan to install the renewable energy system?

11. How far from a public road is the renewable energy system that you plan to install? _____

Which road? _____

12. Please provide the name and contact information for the installer:

13. Date of installation (date the system became/becomes operational):

14. If installing a PV system, please attach a PV Watts Report

(http://mapserve3.nrel.gov/PVWatts_Viewer/index.html) for estimating the annual production. If installing a Wind or another type of renewable energy system, please attach an estimated annual production (in kilowatt-hours) and a brief description on how the estimate was arrived at.

15. Latitude of installation: _____

Longitude of installation: _____

16. Are you currently a Green Power Program participant, purchasing 100 kilowatt-hour blocks for \$0.50 a block from MPE? YES NO

How many blocks? _____

For projects that are awarded a MPE Green Power grant, funding will be processed as a rebate after your net-metered renewable energy project is completely installed

and operational. The information contained in this statement is for the purpose of obtaining funding from the Mountain Parks Electric Green Power Program on behalf of the undersigned. Each of the undersigned understands that the information provided herein is used in deciding to grant funding. Each of the undersigned represents and warrants that the information provided is true and complete and that the Mountain Parks Electric Green Power Board may consider this statement as continuing to be true and correct until a written notice of a change is provided. The Mountain Parks Electric Green Power Board is authorized to make all inquiries they deem necessary to verify the accuracy of the statements made herein.
